15–16.6.2020, Munich, Germany

Pharmaceutical Patent Term Extensions

SPC continues to be at the forefront of product IP protection tool to extend its lifecycle. Article 3(a) has experienced further evolution through oral hearings at the ECJ through C-650/17 QH (Royalty Pharma) and C-114/18 Sandoz vs. Searle. Additionally, this event will further explore the practical implementation of the EU Manufacturing Waiver and how it has impacted both innovator and generic market segments.

- **Organisor:** C5
